

“My Hi-Lite is strong without being heavy and helps me travel with no hassle. Having a chair that is lightweight and reliable in a design that matches my personality gives me confidence to work my best.”

► **Shannon Murray, Model**

Hi·Lite

A classic RGK design, suitable for a wide range of users for whom lightweight and easy independent transportability are key.

Available in a choice of tube specifications, the 25mm main frame ensures no compromise in rigidity and performance, whilst allowing a clean and simple minimal design.
