

“My Quattro is light and responsive and has given me the opportunity to improve my game. The adjustable camber bar and footrest have given me all the adjustment I need in my first bespoke sports chair, I love the design and the positive effect it has had on others.”

► **Jolene Duggleby, Newcastle Eagles**

QUATTRO

A super versatile sports wheelchair, bespoke-built in a choice of tube specifications.

Adjustable centre of gravity and footrest positioning make fine tuning a simple operation and the perfect compliment to the bespoke frame build.
